HISTORICAL NOTES:

- The Florida Theatre first opened in April, 1927 as a center for silent films and vaudeville.
- A major renovation project in 1983 converted the Theatre to a multi-use performing arts center and fully restored the original decorative elements throughout. The Theatre is now listed on the National Register of Historic Places.
- Most production equipment was replaced or upgraded and all backstage areas were refurbished as part of a second renovation project in 1994.
- Fly System was upgraded and linesets were replaced in 2006.
- Stage floor was replaced in 2008.
